Our software
supports AAAs.

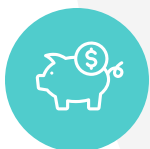

SmartSimple Cloud for Agency on Aging Management helps AAAs eliminate spreadsheets, simplify reporting, and streamline services management. Our end-to-end solution will help you to manage your Title III services more efficiently, collaborate better with your local providers and deliver greater impact to older adults in your community.

Eliminate Complex Spreadsheets

Have you outgrown the complex spreadsheets you use to manage your local providers? SmartSimple Cloud helps you save time and reduce effort by automatically aggregating your services data across all providers, simplifying your funding source compliance requirements.

Cost effective

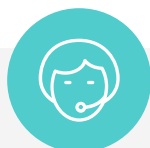

Quick to set up

Streamline Service Management

Your AAA's processes and needs are unique. You can tailor our solution to meet your specific needs, allowing you to automatically complete NGAs, include online signatures into your processes, and manage all Title III, mini grants and other services into one system.

Cloud-based

24-5 support

Simplify Reporting

Reporting is an essential part of your agency's requirements. We help you eliminate late or incorrect report submissions, simplify data entry and reduce errors by automatically completing your existing templates, enabling you to quickly produce reports with your system data.
